

2010 FLL Challenge Overview

BODY FORWARD™

Engineering Meets Medicine

Teaser:

Can *FIRST*® LEGO® League Teams improve our quality of life? Through the 2010 Body Forward™ Challenge, 9 to 14 year olds will explore the cutting-edge world of Biomedical Engineering to discover innovative ways to repair injuries, overcome genetic predispositions, and maximize the body's potential, with the intended purpose of leading happier and healthier lives.
